DETAILED ACTION

Allowable Subject Matter

1. Claims 1-6 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art made of record does not teach a trapping detection system for an opening/closing member comprising an estimating speed unit for calculating an estimated speed based on the drive voltage sensed by a voltage detector, an estimated speed correction unit for correcting the estimated speed based on a difference between an actual speed and the estimating speed obtained before a first predetermined time, and a trapping determination unit for determining the trapping in the opening/closing member based on a change state of a difference between the estimated speed being corrected and the actual speed..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rina I. Duda whose telephone number is 571-272-2062.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Martin can be reached on 571-272-2107. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
